ensure our meetings are at the correct time and location.

STEP 8- "Made a list of all persons we had harmed, and became willing to make amends to them all."

Steps Eight and Nine are concerned with personal relations. First, we take a look backward and try to discover were we have been at fault; next we make a vigorous attempt to repair the damage we have done; and third, having thus cleaned away the debris of the past, we consider how, with our newfound knowledge of ourselves, we may develop the best possible relations with every human being we know.

We service groups in Northern Colorado (from Cheyenne, to Boulder, Kansas/Nebraska border to Walden). This adds up to 73 groups. Of those 73 groups from 16 to 20 attend our Intergroup meetings on a regular basis. That is a participation of approximately 30%. This is not bad, if we were hitting in a baseball game, but we would like more to be there. Talk to your groups in the area

TRADITION 8- "Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers."

You can't mix the Twelfth Step and money. Line of cleavage between voluntary Twelfth Step work and paid -for services. A.A. could not function without full-time service workers. Professional workers are not professional A.A.'s . Relation of A.A. to industry, education, etc. Twelfth Step work is neve paid for, but those who labor in service for us are worthy of their hire.
